Spring Newsletter

Greetings!

Happy Spring! We trust that you are enjoying these beautiful spring days. Welcome to our latest newsletter, the second this year, all of which we hope have helped to bring awareness to the overwhelming challenges that women who are experiencing homelessness and poverty face each day.

We are pleased to report that since we have started our organization, we have helped over 400 women by providing them with food, toiletries, clothing etc. and developmental coaching. The work is great, but the passion is greater and we have a team of committed individuals who are passionate about making a difference and for them we are thankful.

Thank you all for your continued support and generosity, without the support of individuals like you our work would be impossible!

With gratitude,

Tanisha Salmon
Founder & President

Service Spotlight

On April 7th, Friends of Boston Homeless hosted their annual party to end homelessness at The House of Blues in Boston, and we were there to show our support.

Begin To Dream Again was featured in their yearly handbook "HOME" for the housewarming personal care packages that were donated to the ladies at the Valentine Housing Program in Roxbury MA.

Mother's Day Makeover

We believe that all mothers are special- especially those who have no place to call home. In recognition of Mother's we will honor five mothers at the Wood Mullens Shelter with a special makeover compliments of Symmetric Hair and Nails Salon in Mattapan, MA.

The Facts - Homeless Mothers

As of August 14, 2015, there were approximately 4,250 families with children and pregnant women in Massachusetts' Emergency Assistance (EA) shelter program. 1,244 of these families with children were being sheltered in motels. This number does not count those families who are doubled up, living in unsafe conditions, or sleeping in their cars.

BTDA In The Community

"Thank you to the wonderful women of Begin To Dream Again for making such thoughtful and beautiful care packages for the women at our Valentine Women's House. The women at Valentine are working hard to rebuild their lives and your support and companionship means a lot to them on our journeys to peace and independence." - Friends of Boston's Homeless

"Begin To Dream Again has been serving the community for a short time, but the organization is already making an incredible impact. Tanisha turned a tragic life event into something purposeful. Amazing, brave, and rare. What an example she has set for all of us. Only greatness can, and will happen from here." -Bold and Beautiful Women Circle
